2. In which groups/activities have you been active at your church?
3. What is your knowledge of and level of participation in LWML, if any?
4. Why do you desire to attend the national LWML convention?
5. What do you feel are the special strengths (gifts) that God has given you?
6. The LWML convention is an interesting and spiritually inspiring event. It is, however, also a working session of the organization, and at times the sessions can be long with the days and evenings packed with events. There may be very little free time and it may be very tiring. Understanding all this, can you willingly accept participating in the full scope of the convention?
7. We ask that you have someone who knows you well (i.e., friend, society president, etc.) list his/her name and relationship to you and answer this question: "Why do you feel this individual would be a good candidate to attend the national LWML convention?"
